
Manager's Report

March 9, 2011

Harbor Resources

Dredging – Rhine Channel

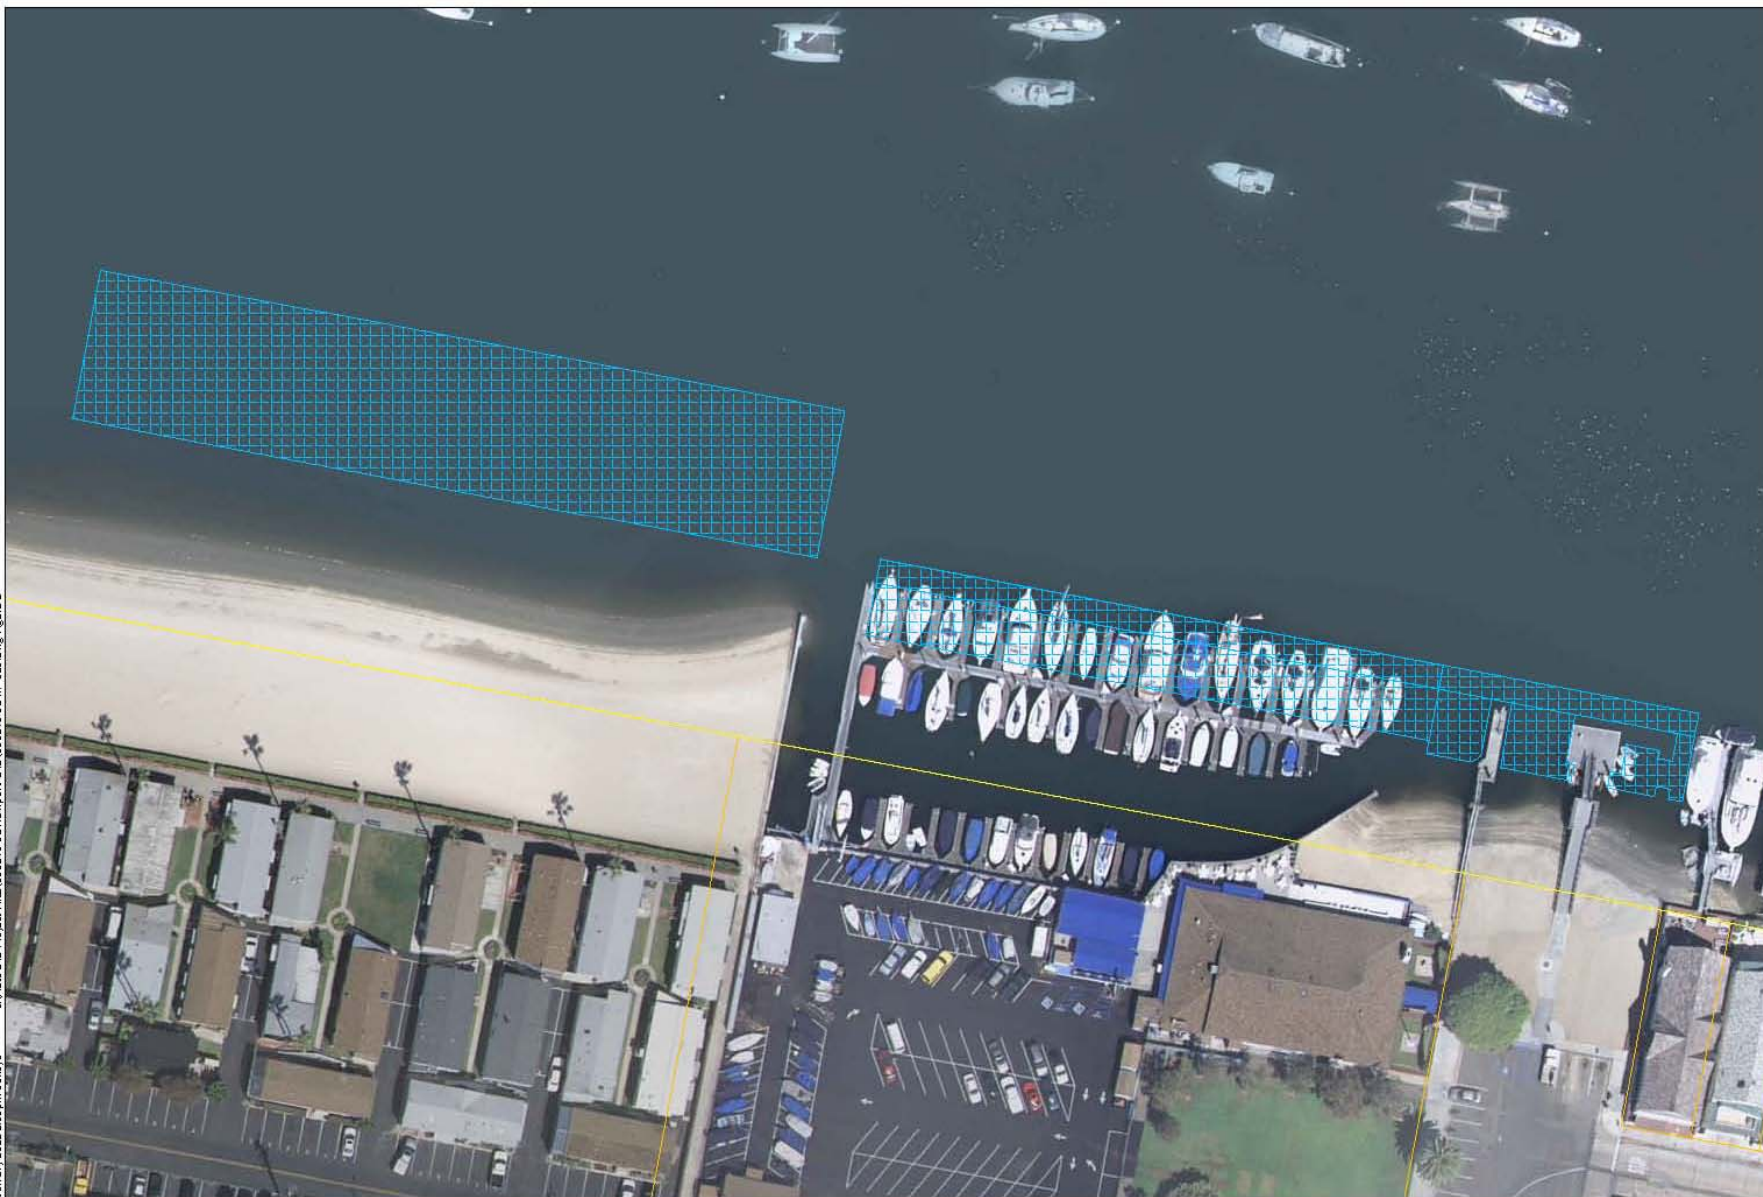

- Pre-Bid Job Walk March 8, 2011
 - Well attended by prospective bidders.
 - Many good questions to be addressed in upcoming Addendum.

- Next Steps
 - Bids due March 24.
 - Council to execute MOA with POLB on March 22.
 - Stakeholder outreach in ~3 weeks to discuss.
 - City / Property owner agreement for pile remove and replace.
 - Vessel relocation.
 - Construction Management Contract.
 - Target start date: August 1, 2011.
 - Note: Sabot Nationals August 8-11 (Monday thru Thursday).

Public Pier Time Limits

- Rhine Channel
 - First pier with new time limits – immediate need.
 - Paint, stencils and signs installed by Friday the 11th.
 - Rest of piers to follow, but all complete by Memorial Day.
 - Rules not in effect until signage and striping is in place.

Rhine Channel Public Pier

Council Items – Harbor Related

February 22, 2011

- ❑ Mooring Support Service Center at BYB
 - Council receptive to plan.
 - Suggested the HC to return with a more detail plan with costs etc...
 - Supported postponing dinghy racks until later.

March 8, 2011

- ❑ Formation of Tidelands Management Committee
 - (Mayor Henn (Chair), Gardner and Selich)
- ❑ Retention of Ad Hoc Committee on Harbor Fees until December 31, 2011
 - (Mayor Henn, Rosansky and Selich)

March 22, 2011

- ❑ Port of Long Beach MOA

April / May 2011

- ❑ Construction management services for the Rhine
- ❑ Contract award for Rhine dredging

Other Issues

■ Eelgrass

- Specific plan for Newport Harbor currently in final stage of negotiation at local level with NMFS.

■ Marina Park Committee Meeting

- March 23, 3:00 PM @ Council Chambers

■ RGP-54 Renewal

- Dredging and dock construction blanket permit.
- City is proposing to extend the permit for 2.5 years instead of a full 5 year renewal (expensive).
 - Take advantage of extensive harbor wide testing.
- Agency DMMT meeting in February went well.

Other Issues

■ Capital Improvement Program (CIP) Requests from Harbor Resources

1. Bulkhead Repair / Sealing & Groin Rehabilitation: \$400,000
2. Linda Isle Dredging (Material Sampling): \$30,000
3. BYB Facility Improvements: \$50,000
4. Mooring Support Services Improvements at BYB: \$25,000
5. China Cove & Little Island Beach Management: \$50,000
6. Eelgrass Mapping in Main Channels: \$25,000
7. Feasibility Study of Public Piers at Balboa Marina and Lido Isle Bridge: \$20,000
